

## Our commitments for your own safety :

In order to provide you the best experience as possible, we led some actions :

- 🍷 The **reinforcement of our cleaning processes** in the Abbey
- 🍷 The **creation of a special action plan** regarding the safety and the health of anyone, validated by the French authorities.
- 🍷 The investment in **individual health protections** for the Abbey's team
- 🍷 The installation of **hydro alcoholic gel terminals** accessible during all the visit
- 🍷 The creation of **an e-shop to buy e-tickets** through our website

Think about using our e-shop to book your guide tour in our Abbey ! Easy to use, this new service will allow you to save time at the welcome desk !

**We remain at your disposal for further information :**

### What **it will change** for your visit :

- 🍷 The guide visit is restricted to **10 visitors/schedule**
- 🍷 **Specific waiting areas and a limited access in some rooms** were created in order to respect to distance between the visitors
- 🍷 We recommend our visitor to **bring their own headphones** for the guide visit and the tablet- *possibility to rent headphones at the welcome desk*
- 🍷 Wear a protective face mask is an obligation to visit the Abbey

### **What it will NEVER change :**

- 🍷 The smile of our welcome team !
